Conveyance and travelling allowances of Presidents and Vice-Presidents and sitting fees for members of District Boards.

41 Rule 32 of the rules issued with Government Notification No.L. 5470/L.B.25-26-53 dated 5th February 1927 provides for the payment by the District Boards to the non-official Presidents and Vice-Presidents of monthly conveyance allowances not exceeding Rs.100 in the case of Presidents and not exceeding Rs.50 in the case of Vice-Presidents.

42 The Bangalore District Board at their meeting held on the 20th March 1927 passed a resolution that the non-official President of the District Board may be given a monthly allowance of Rs.250, but it is found that no allowance is paid to Presidents of District Boards in Madras and elsewhere and that it is not desirable to raise the allowance.

43 Another question that arose for consideration in this connection was whether as the non-official Vice-Presidents are paid first class travelling allowance while Assistant Commissioners are paid only second class fares, whether it is not necessary to reduce the allowance of the Vice-Presidents to second class rates.

44 A third question for consideration was whether these Presidents and Vice-Presidents should deduct from their travelling allowance bills the daily permanent allowance as is done by Government Officers. As they are honorary workers, and as the allowance is not excessive it was decided that no deduction need be made.

The opinion of the Council on these questions was recorded as follows at its meeting held on the 1st September 1927:-

"Conveyance allowance. The maxima fixed by the rules issued with notification No.L.5470 dated 5th February 1927 require no change. The District Board of Bangalore may be informed accordingly.

"Travelling allowance. The rates of travelling allowance admissible to Vice-Presidents will be those allowed for second class officers.

As regards the question of Presidents and Vice-Presidents drawing conveyance allowance on days for which travelling allowance is claimed

the decision contained in Government Order dated 6th May 1922 may be followed.

"Sitting fees or conveyance allowance for resident members of District Boards for attending meetings of the Board:— It is undesirabl to allow such fees, as already decided by Government".

BRIEF NOTE.

Allowance of Rs.100/- a month has been sanctioned to the non-official President of the District Board Bangalore in G.O.No.L.1812-3/L.B.1-23-11 dated the 4th September 1923. This is the maximum amount approved in the revised rules under the Mysore District Board Regulation 1926 for conveyance allowance to non-official Presidents of District Boards.

The District Board of Bangalore at their meeting held on the 20th March 1927 unanimously resolved that a monthly allowance of Rs.250/- per mensem be sanctioned to this Non-Official President (the rules being amended allowing descretion to District Boards in the matter).

The First Member has expressed the opinion on this proposal that as the President gets Travelling Allowance also and the finances are not satisfactory, an -- allowance of Rs.250/- seems excessive and that Rs.150/- may perhaps be sanctioned.

When the file was submitted to the Dewan he ordered that the matter must be considered in Council and enquired if non-official Presidents get any salary (honorarium) in British Provinces. Enquiries

The Financial Secretary has stated that Presidents and Vice Presidents should not draw full Travelling Allowance in addition to convevance -- allowance and that convevance allowance should be forfeited for the days for which road mileage or daily allowance is claimed. convevance allowance drawn however in full whenever they travel by railway. This aspect of the question has however been previously considered and -- orders recorded that such deduction from convevance allowance in unnecessary in these cases. SIR,

I have the honour to state that at the District Board meeting held on 20th March 1927, Mr. S. N. Sitarama Rao, brought to the notice of the Board, that the monthly conveyance allowance now contemplated to be granted to the non-official Presidents of the District Boards as per rule 32, is quite inadequate in proportion to the responsibilities and heavy duties and outdoor work devolved on the President of this District Board after the abolition of the Taluk Boards which were ten in number, etc. As the Board, after considering and discussing all the aspects of the question, also agreed with him, he then moved a proposition that Government be requested to sanction a monthly allowance of Rs.250/- to the non-official President of this District Board in proportion to the onerous duties devolved on him and also to amend the present rules on the subject, etc. Mr. C. Lakshmana Gowda, B.A., B.L., seconded the proposition and it was unanimously passed. A copy of the resolution is herewith attached for favour of perusal.

After the abolition of the ten Taluk Boards of this District heavy responsibilities are devolved on the non-official President, and he has to work much at the sacrifice of all his other private works to discharge his duties satisfactorily. To keep in dignity and status of the office he holds, it seems reasonable that Government would be pleased to consider the case of this District in
